MILITARY TRAINING AREA  
MUKACHEVO, USSR  
CARPATHIAN MD

This training area (Figure 1) covers approximately 2,850 acres and is 3.5 miles (5.4 kilometers) south of Mukachevo at 48-24N 022-44E. Facilities include two moving target tank firing ranges, a wheeled-vehicle driver training course, and extensive combat training areas.

The northernmost moving target tank firing range consists of two 2,100-foot firing lanes and two target runs with a maximum firing distance of 3,700 feet from the static firing line. The other moving target tank firing range consists of three 2,250-foot firing lanes and two target runs with a maximum firing distance of 3,800 feet from the static firing line.

The area is served by good roads. A major rail line is located 3 miles (4.9 kilometers)

north, running northeast-southwest through Mukachevo.

Photography between [REDACTED] reveals consistently heavy usage in the [REDACTED] photography is not available.

No tracked-vehicle driver training courses, artillery firing positions or impact areas, bivouac areas or tent camps, engineer training sites, water-crossing training sites, or airborne or air transportability training facilities were observed.

Mukachevo Airfield, west of the training area, and the Mukachevo SAM Support Facility, to the south, (annotated on Figure 1) are not associated with the training area.
